

qdPM™ EXTENDED EDITION
END USER LICENSE AGREEMENT ("AGREEMENT")

PLEASE READ THE FOLLOWING TERMS AND CONDITIONS CAREFULLY
BEFORE DOWNLOADING, INSTALLING OR USING THE SOFTWARE.

By downloading or using the Software, (a) you accept the terms of this Agreement on your behalf as an individual, and on behalf of your employer or another entity with which you are associated, if such employer or entity has not previously accepted these terms (you and such employer or other entity, collectively, the "Licensee") and agree to be bound by its terms and conditions; and (b) you are accepting electronic delivery of the Software. If the Licensee has not previously accepted these terms, you represent and warrant that you have full legal authority to bind the Licensee to these terms and conditions.

This Agreement, is a legal agreement between the Licensee and **Kym Romanets and Sergey Kharchishin**, hereinafter referred to as the "Developer" having its principal place of business at **7401 4th Ave Apt E4, Brooklyn, New York, USA**.

1. This Agreement constitutes the entire agreement concerning the Licensee's use of the Software. This Agreement replaces and supersedes any verbal understandings, written communications and representations regarding the use of the Software.

License

1.1. Subject to Licensee's compliance with the terms and conditions of this Agreement and any applicable payment terms, the Developer grants the Licensee a non-transferable, non-assignable license to use and/or modify the Software. **Such license is limited to one nominated Domain.**

1.2. In the event that the Licensee's actual number of Domains exceeds the licensed number of Domains, the Licensee shall promptly pay the Developer the fees required to license such additional Domain(s) in accordance with the current license payment terms as published on the Developer's website.

1.3. The Developer reserves the right to include means within the Software to limit Licensee's use of the Software to the licensed Domains.

1.4. The Developer shall provide to Licensee an initial copy of the Software, including any associated technical documentation, for use by Licensee in accordance with this Agreement. Subject to Sections 1.1-1.3 above, Licensee is authorized to make a reasonable number of copies of the Software as it requires for purpose of exercising its rights under this Agreement including making a backup copy.

1.5 **Licensee may transfer the Software on a permanent basis to a single replacement Domain without charge.** Licensee agrees to provide the Developer with written notice of the change of Domain prior to such transfer occurring. Any further transfer requests will incur a fee as advised by the Developer at the time such a request is made.

1.6. Licensee acknowledges that portions of the Software are also freely available to the public under the Developer's open source version of the Software, subject to certain conditions, with limited warranties and other limited assurances, and without service or support. As an express condition for the license granted hereunder, Licensee agrees that any use of such open source versions of the Software, whether used on a production or non-production Server, shall be deemed use of the Software for purposes of the calculation of fees payable under the Agreement.

2. License Exclusions

2.1. Except as expressly authorized herein, Licensee shall not:

- a. use or deploy the Software on any Domain other than the licensed Domains;
- b. distribute, sublicense, disclose, market, rent, lease or transfer the Software to any third party or permit any person or entity to have access to the Software by means of a software as a service arrangement;

2.2. No license, right or interest in any Developer trademark, trade name or service mark is granted hereunder.

3. Fees and Payment Terms

Licensee shall pay the Developer the fees specified by the Developer. All fees shall be due and payable upon purchase.

4. Title and Protection

4.1. The Developer (or its third party providers) retains title to all portions of the Proprietary Material and any copies thereof. Licensee agrees to maintain strict controls to ensure that such materials are treated confidentially and safeguarded with at least the same degree of care that it takes to protect its own information of a similar nature, which in no event shall be less than a reasonable degree of care, and shall not disclose the Proprietary Material to anyone other than those of its employees or consultants under nondisclosure obligations, having a need to know for purposes consistent with this Agreement. Licensee shall affix, to each full or partial copy of the Proprietary Materials or any portion thereof made by Licensee, all copyright and proprietary information notices as were affixed to the original. The obligations set forth in this Section shall survive termination of this Agreement.

4.2. Licensee acknowledges that the Software includes certain open source and other third-party software which is governed by the applicable license terms thereof. The use of such software bundled within the Software is subject to the provisions of such license agreements, and in the event of any contradiction between the provisions of this Agreement and the provisions of such applicable license agreement, the provisions of the applicable license agreement shall prevail solely with respect to such software products. The Developer makes no indemnity with respect to any open source or third-party software included within the Software, and for greater clarity, the indemnity set out in Section 5 (Patent and Copyright Indemnity) below does not apply to any such software.

4.3. If the Software is acquired by or on behalf of a unit or agency of the U.S. Government (the “**Government**”), the Government agrees that such product is “commercial computer software” or “commercial computer software documentation” and that, absent a written agreement to the contrary, the Government’s rights with respect to such product are limited by the terms of this Agreement, pursuant to applicable FAR and/or DFARS and successor regulations.

5. Patent and Copyright Indemnity

The Developer shall indemnify and defend Licensee against any claims that the Software infringes any patent or copyright; provided that the Developer is given prompt notice of such claim and is given information, reasonable assistance and sole authority to defend or settle the claim. In the defense or settlement of the claim, the Developer may obtain for Licensee the right to continue using the Software, replace or modify the Software so that it becomes non-infringing while giving equivalent performance or, if such remedies are not reasonably available, remove the infringing portion of the Software, accept its return and refund the amount paid for the Software license. The Developer shall have no liability if the alleged infringement is based on a modification of the Software by anyone other than the Developer; is based on use of the Software on one or more unlicensed Domains; or is based on the use of the Software other than in accordance with the documentation. This Section 5 states the Developer’s entire liability and Licensee's exclusive remedy for infringement.

6. Default and Termination

6.1. An event of default shall be deemed to occur if:

- (i) Licensee fails to perform any of its obligations under the Sections entitled "License Exclusions" or "Title and Protection"; or
- (ii) either party fails to perform any other material obligation under this Agreement and such failure remains unremedied for more than thirty (30) days after receipt of written notice thereof.

6.2. If an event of default occurs, the non-defaulting party, in addition to any other rights available to it under the law, may terminate this Agreement and all licenses granted hereunder by written notice to the defaulting party. Remedies shall be cumulative and there shall be no obligation to exercise a particular remedy.

6.3. Within thirty (30) days after termination of the Software, the Licensee shall certify in writing to the Developer that Licensee has ceased use of the Software and that all copies of the Software in any form, including partial copies within modified versions, have been destroyed.

7. Warranty

7.1. The Developer warrants for a single period of ninety (90) days commencing upon the Developer’s electronic delivery of the Software to Licensee that the Software will perform the functions described in the specifications contained in the documentation provided with the Software. The Developer will undertake reasonable efforts to correct any reported error. The Developer does not warrant that the Software will meet Licensee’s requirements, that the

Software will operate in the combinations which Licensee may select for use, that the operation of the Software will be uninterrupted or error-free, or that all error conditions will be corrected. EXCEPT AS PROVIDED IN THIS SECTION ALL SOFTWARE PROVIDED HEREUNDER IS PROVIDED "AS IS".

7.2. DISCLAIMER. THE EXPRESS WARRANTIES SET FORTH IN THIS SECTION 7 ARE THE ONLY WARRANTIES MADE BY THE DEVELOPER WITH RESPECT TO THE SOFTWARE PROVIDED BY THE DEVELOPER. THE DEVELOPER MAKES NO OTHER WARRANTIES, EXPRESS, IMPLIED OR ARISING BY CUSTOM OR TRADE USAGE, AND, SPECIFICALLY, MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. THE DEVELOPER'S EXPRESS WARRANTIES SHALL NOT BE ENLARGED, DIMINISHED OR AFFECTED BY, AND NO OBLIGATION OR LIABILITY SHALL ARISE OUT OF, THE DEVELOPER RENDERING TECHNICAL OR OTHER ADVICE OR SERVICE IN CONNECTION WITH THE SOFTWARE.

8. Limitation of Liability

8.1. LIABILITY EXCLUSIONS. NOTHING IN THIS AGREEMENT SHALL EXCLUDE OR LIMIT EITHER PARTY'S LIABILITY FOR (i) THE TORT OF FRAUD OR DECEIT (ii) DEATH OR PERSONAL INJURY CAUSED BY SUCH PARTY'S NEGLIGENCE OR (iii) ANY OTHER LIABILITY WHICH CANNOT BE EXCLUDED OR LIMITED BY APPLICABLE LAW. SAVE FOR THE FOREGOING, NEITHER PARTY ACCEPTS AND HEREBY EXCLUDES ANY LIABILITY FOR LOSS OF OR DAMAGE TO LICENSEE'S TANGIBLE PROPERTY OTHER THAN THAT CAUSED BY ITS NEGLIGENCE AND HEREBY EXCLUDES ANY OTHER LIABILITY FOR NEGLIGENCE ARISING PURSUANT TO THE TERMS OF THIS AGREEMENT. SAVE FOR THE FOREGOING, NEITHER PARTY ACCEPTS AND HEREBY EXCLUDES ANY LIABILITY FOR LOSS OF OR DAMAGE TO LICENSEE'S TANGIBLE PROPERTY OTHER THAN THAT CAUSED BY ITS NEGLIGENCE AND HEREBY EXCLUDES ANY OTHER LIABILITY FOR NEGLIGENCE ARISING PURSUANT TO THE TERMS OF THIS AGREEMENT. UNDER NO CIRCUMSTANCES WILL EITHER PARTY BE LIABLE FOR: LOSS OF REVENUE; LOSS OF ACTUAL OR ANTICIPATED PROFITS; LOSS OF CONTRACTS; LOSS OF THE USE OF MONEY; LOSS OF ANTICIPATED SAVINGS; LOSS OF BUSINESS; LOSS OF OPPORTUNITY; LOSS OF GOODWILL; LOSS OF REPUTATION; LOSS OF, DAMAGE TO OR CORRUPTION OF DATA; OR CONSEQUENTIAL OR INDIRECT LOSS OR SPECIAL, PUNITIVE, OR INCIDENTAL DAMAGES (INCLUDING, FOR THE AVOIDANCE OF DOUBT, WHERE SUCH LOSS OR DAMAGE IS ALSO OF A CATEGORY OF LOSS OR DAMAGE ALREADY LISTED) WHETHER FORESEEABLE OR UNFORESEEABLE, BASED ON CLAIMS OF LICENSEE OR ANY OTHER PARTY ARISING OUT OF ANY BREACH OR FAILURE OF EXPRESS OR IMPLIED WARRANTY CONDITIONS OR OTHER TERM, BREACH OF CONTRACT, MISREPRESENTATION, NEGLIGENCE, OTHER LIABILITY IN TORT, FAILURE OF ANY REMEDY TO ACHIEVE ITS ESSENTIAL PURPOSE, OR OTHERWISE.

8.2. LIABILITY CAP. NOTWITHSTANDING THE FORM (E.G., CONTRACT, TORT, OR OTHERWISE) IN WHICH ANY LEGAL OR EQUITABLE ACTION MAY BE

BROUGHT, IN NO EVENT WILL THE DEVELOPER OR ITS SUPPLIERS BE LIABLE FOR DAMAGES, RESTITUTION OR LOSSES, THAT EXCEED, IN THE AGGREGATE, FOR EACH RESPECTIVE BREACH OR SERIES OF RELATED BREACHES, THE AMOUNT OF FEES PAID BY LICENSEE FOR THE SOFTWARE LICENSE IN THE TWELVE (12) MONTH PERIOD PRIOR TO THE DATE ON WHICH THE EVENT GIVING RISE TO SUCH DAMAGES OR LOSSES OCCURRED.

9. Support Services Terms and Conditions

The Developer will provide support services and Updates for the Software in accordance with the terms and conditions of support purchased by Licensee.

10. Notices

All notices shall be in writing and sent by email provided by both parties at time of purchase of the License or such other email address as either party may indicate by at least ten (10) days prior written notice to the other party.

11. Assignment

Licensee may not assign this Agreement without the prior written consent of the Developer; provided that such consent shall not be required for assignment to a purchaser of all or substantially all of the assets or equity securities of Licensee. Any prohibited assignment shall be null and void.

12. General

This Agreement is made in and shall be governed by the laws of the USA, excluding choice of law principles. All proceedings shall be conducted in English. Venue for all proceedings shall be New York, USA. The section headings herein are provided for convenience only and have no substantive effect on the construction of this Agreement. Except for Licensee's obligation to pay the Developer, neither party shall be liable for any failure to perform due to causes beyond its reasonable control. If any provision of this Agreement is held to be unenforceable, this Agreement shall be construed without such provision. The failure by a party to exercise any right hereunder shall not operate as a waiver of such party's right to exercise such right or any other right in the future. This Agreement may be amended only by a written document executed by a duly authorized representative of each of the parties. This Agreement may be executed in counterparts.

13. Definitions

"Domain" means a top level domain name such as the prominent domains `com`, `net` and `org`, and the country code top-level domains (ccTLDs).

"Modifications" means any code developed by Licensee or any third party, including without limitation, configuration, integrations, implementations, or localizations to the external layer of the core, baseline Software product. The term "Modifications" excludes Updates provided by the Developer as part of Support Services.

"Proprietary Material" means the Software, related documentation, and all parts,

copies and modifications thereof, and any other information, in whatever form, received by Licensee hereunder from The Developer or its licensors, provided, however, such information shall not be deemed Proprietary Material if it (a) is or becomes a part of the public domain through no act or omission of Licensee; or (b) was in Licensee's lawful possession prior to the disclosure and had not been obtained by Licensee from the Developer; or (c) is lawfully disclosed to Licensee by a third party without restriction on disclosure; or (d) is independently developed by Licensee without reference to or use of the Proprietary Material.

"Server" means any physical or virtual server from which a single instance of the Software is accessed and used either for production purposes (**"Production Server Instance"**) or for non-production purposes, such as development, test, training and other non-operational business transactions (**"Non-Production Server Instance"**).

For the avoidance of doubt, if one physical or virtual server contains two (2) instances of the Software, e.g., one Production Server Instance and one Non-Production Server Instance, then a Server license is required for each of such instances.

"Software" means the Developer's proprietary project management software known as qdPM™ Extended, provided solely in source code, including any associated technical documentation, and all Updates thereof furnished to Licensee as part of Support Services. Except as otherwise specified herein, the term Software includes certain open source software programs described in Section 4.2. "Software" does not include any Modifications.

"Term" means the period commencing upon the Developer's electronic delivery of the Software to Licensee and expiring on the date set out in the Ordering Schedule, unless extended by the mutual written consent of both parties.

"Updates" means all published revisions and corrections to the version of the Software covered by the License. Updates shall not include any options or future versions which the Developer sells separately.
